Porn History

Dear Virgin Territory,

I recently received my March '12 issue of 18eighteen magazine, and if there was ever a Smithsonian for porn this issue would have a decent shot at being in it. It was full of everything I love: not one, not two, but THREE hardcore scenes, butt sex, flat and bald teens and a cream pie. As soon as I saw recently-turned 18 hottie Emily on the cover, I knew this issue had to be good. Holly's hardcore, ass-sex shoot was an amazing way to start this issue. While not exactly an absolute hottie, she has perfect titties and a

pretty snatch. I'm glad she did anal. The pop shot on her face was nice.

Next up was, indeed, the hottest teen slit in this issue...Emily. She has such a sexy face with a smile that would get any cock hard. Now her boobs are too big for my liking, but she sure makes up for it in every other way possible. I enjoyed the camel toe shot on page 19. All of Emily's pictures were hot. It's too hard to narrow it down to a few favs.

Trinity was up next, and again, another teen tart. I would give anything to plow her and jizz on her small, sweet tits. Hippie Daisy was my next favorite and her shoot didn't disappoint either. She was another little slut with a perfect set of tits, a smooth cunt and a gorgeous butt. I loved how spread wide she was on page 49 so everyone could see her twat and tight asshole. These are my all-time favorite shots of teens. That twat would have looked so good with a steaming load of cum oozing out.

Next was Nychole's hardcore shoot. She's definitely not an absolute hottie either, but the cream pie at the end made all the difference. Thank you! Oh, and I do realize, now, that not every teen is willing to take a load in the puss.

Brie was next and she's a real cock throbber: perfect tits with delicious-looking nipples and huge pussy lips. Lastly, was the third hardcore scene...Elizabeth's, and it was all-star material. I loved the "tushie temperature" pics and the picture of her glorious pussy on page 89. Elizabeth sure knows how to suck and fuck a dick. Her little clitty on page 93 looks so pretty, and what an awesome cum shot to finish! Thank you, 18eighteen, for the ball drainer.—M.F., Harrisburg, Pennsylvania

Dear M.F.,

An issue of 18eighteen that's a con-

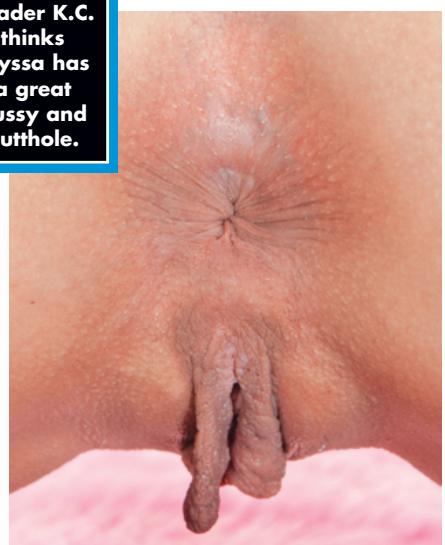

tender for the Smithsonian of porn? That's quite the compliment coming from you. Thanks for the nice words!

Perfect Poses

Dear Virgin Territory,

You had two superb issues in a row with your Nov. '11 and Dec. '11 issues of 18eighteen. They both had great covers. Almost every girl

Reader K.C.
thinks
Alyssa has
a great
pussy and
butthole.

in these two issues was very kissable, huggable, likable and fuckable.

That great pose of Yulia's on the Dec. '11 cover really makes me want to slip a finger into her arsehole while nibbling her clit. Then I'd lick her ass and pussy juices off my finger, and French kiss her and suck her beautiful nipples. I really love that photo of Yulia on page 37 with the hairy pussy. If she would have pulled her hot buns apart to expose her anus it would have made it even better.

Alyssa's pose on the Nov. '11 cover makes a guy want to spread her beautiful buns apart and stick his nose and tongue into her butthole. It would be great to slowly slide my big, thick cock in and out of her butthole while pulling on her big pussy lips to make her orgasm hard.

I love the photos of Alyssa on pages

Emily is a beautiful girl-next-door who recently turned 18.

46 and 49. She would definitely be a contestant for the hottest looking pussy and anus combo photo along with Heather and Nikita. I would love to fuck her doggie-style in both holes.-K.C., Harvey, North Dakota

Dear K.C.,

Be sure to check out Alyssa's pictorial in the April '12 issue. Her poses are even hotter in those photos!

Holy Trinity

Dear Virgin Territory,

The March '12 issue might be the greatest issue you have ever published. The girls were all beautiful, but the standouts were Emily, Daisy and my new favorite, Trinity. Trinity is the perfect teen with her

Trinity's lovely face and flat chest are very alluring.

beautiful face, flat chest and slim figure. I loved the intimate feel of her photos. It's almost like I'm right next to her, basking in her beauty. I can almost feel the heat coming off her skin, and smell the fragrance of her vagina tickling my nostrils.

I loved the photo of Trinity on page 35, her eyes closed in an expression of ecstasy. I do wish we would have gotten more spread pussy shots besides the small one on page 33, but really, I have no reason to complain. I am just to thankful to have been able to see her naked.-S.Y., via email

Dear S.Y.,

Trinity has a very unique look, and is beautiful nonetheless. And we know what you mean when you say you feel like you're right there with her.

Holly's Second Chance

Dear Virgin Territory,

I really thought I didn't care much for Holly from the Dec. '11 issue at first. Was thinking she was just another prosaic type model with a hint of chubbiness. Didn't think I'd give her a second look. But everyday since I first received the issue, I did indeed give her a second look. And a third. And a fourth. You get the idea. I'm now finding her cute. Holly is once of these types of models who, over time, I've grown to appreciate. I'm finding her girl-next-look charm about her to be very appealing. Do I dare say now I'd like to see another solo set of her in the future?-R., via email

Dear R.,

You may very well see another photo set of Holly (besides her hardcore layout in March '12). But for now, enjoy the bonus photo of her.

Hippie Love

Dear Virgin Territory,

As a guy who grew up in the Sixties and Seventies, it's no surprise that little Daisy makes

Reader R. didn't like Holly at first, but she grew on him.

my old cock as hard (maybe even harder) as it used to get in my twenties. I was around when real horny hippies were wandering the streets spreading peace, love and cum. Seeing her in that tie-dye shirt with braids and little cut-off jean shorts brings me back to the days when girls really did dress like that. Only, the difference is they all had bushes and today's girls are usually clean shaved.

Daisy is a modern-day hippie chick who has a shaved twat.

And while I'm on that topic, I have to admit that shaved pussies took some getting used to. At first I was weirded out by it, man. Looked like a plucked chicken or something. Younger guys out there who don't understand where I'm coming from (I've had lots of arguments about this topic) should consider that back in those days, bush was the norm. But seeing as how shaved pussies were becoming more popular, I started to accept them. There had to be some benefit to shaving off the muff if all the girls were doing it, right? Well, hell yeah! I didn't realize how awesome shaved pussies were until I got my first taste of one. It was glorious. So soft and smooth. I liked being able to taste every inch of flesh instead of having to navigate around the forest.

Now, I still love me some bush, but shaved pussies are plenty nice, too. And that brings me back to Daisy.

What a pretty, little twat! She's the perfect modern day hippie chick: cute, all about the peace and love and sex and with a delicious, bald pussy!—J.S., Memphis, Tennessee

Dear J.S.,

We think you're the first gentleman of your generation to admit to liking bald pussies! Who would've thought that hippies and shaved pussies could mix?

Natalia's Natural Beauty

Dear Virgin Territory,

There was something about Natalia from the March '12 issue that made my balls quiver. I think it was the glasses and the camera; I'm a sucker for those quiet, artsy, slightly nerdy types. Also adding to her allure is the fact that she does not look like the type to pose nude! Yet another point for the girls-next-door team. It's funny; the sluttier a girl looks the less I'm interested in her. When I see little tramps walking around with tons of make-up on in high heels, my boner shrivels up. I much prefer a natural girl in casual clothing.

And that's why I came for Natalia. I hope there are more sets of her to come. She looks great with very minimal make-up and a simple hairstyle. She has a nice body, a cute butt and a pretty innie pussy.

Although I wish I could have seen a picture of it spread! Maybe in the future?—W.M., Cincinnati, Ohio

Dear W.M.,

Natalia was a little shy about spreading her pussy, but after a while of shooting she relaxed. Here's a spread photo for you!

Pouting Over Puffies

Dear Virgin Territory,

On page 65 of the March '12 issue, it looks like Brie has puffy nipples. But why was that the only photo of her puffies? In the rest of the layout Brie's nipples got hard so you couldn't see her puffies. I realize that may be hard to prevent, but in the future could you please try to capture those puffies before the nipples get hard? It's hard to find puffies these days.—W.B., Cardiff, Wales, United Kingdom

Dear W.B.,

Brie's nipples are not the puffiest. But we apologize for not photographing them at their most inflated stage.

18

Brie's nips are kind of puffy. Here they are as they begin to harden.

Teen Rectal XXXams

"They're taking their medicine the hard way."

Six tiny teens have hot, little buttholes. We know that because they had their temperatures taken rectally. They're burning up, but it's not because they're sick. These girls are really hot for cock! Cutie Mae gets a thermometer put in her starfish, and it turns her on so much that she gives up her pussy to the young doctor. She even makes all the moves!

A close-up, low-angle photograph of a nude woman with blonde hair, lying on a brown leather couch. She is looking upwards with her mouth open. Her hands are on her neck and shoulders. A tattoo of a red rose with green leaves is visible on her upper left thigh. A small white kiss mark is on her upper right thigh. She is wearing a pink beaded bracelet on her right wrist. The background shows a blue wall and a white door frame.

Jessi is a Brazilian babe with an amazing ass. She's feeling sick, so her boyfriend comes over and has her spread wide to take her temperature in her big booty. Then she fucks him for being so nice! Elizabeth, on the other hand, is faking illness to get out of class. The nurse walks out and Elizabeth bangs another peeping student.

Elizabeth

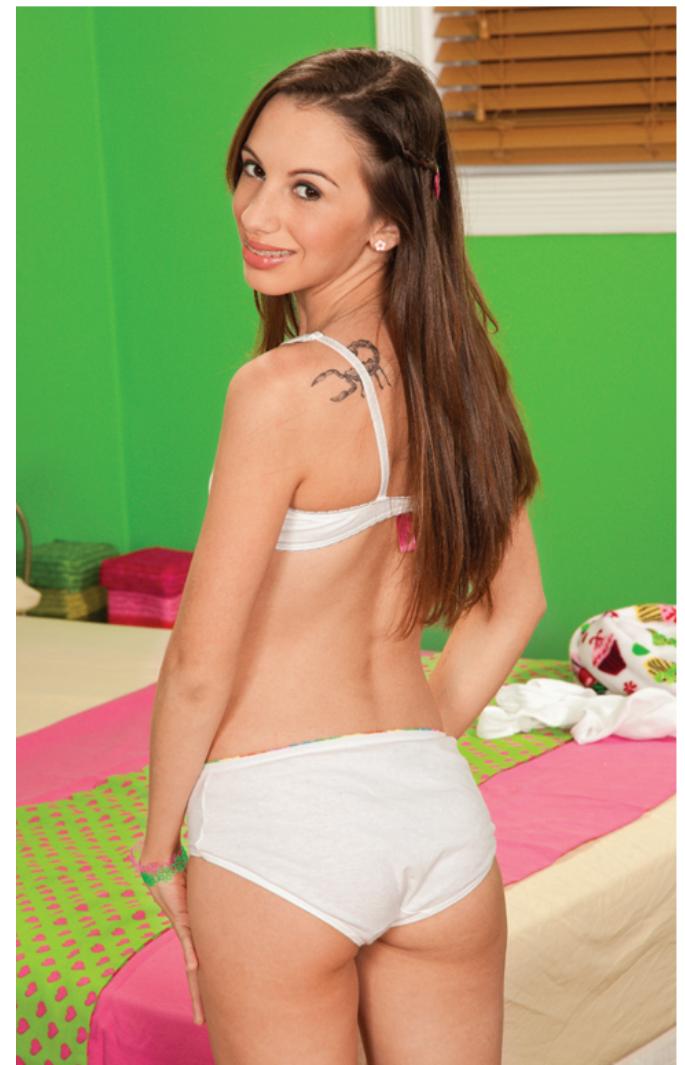

Tracey has a luscious bush that's the perfect nest for thermometers and cocks! She rides the doc after he takes her butt temperature. Vee screws an intern at her check-up 'cause sticking things in her starfish makes her horny. And Lacey is yet another one who fakes being sick, and ends up giving up her twat!

Hey, Jean. Are you really 18?

"Yes, I am! I get asked that all the time and it's kind of annoying. Everyone thinks because I'm skinny and have braces that I'm younger than I look. What I really don't like is that some guys will be afraid to talk to me because they think I'm underage. And it doesn't help that I like older men, so I think they're even more paranoid about it than someone who is closer to my age. If it comes down to it, I'll even take out my driver's license to show them that I am 18, almost 19! But I guess looking young is good in a way because when I get older people will still think I'm younger than I really am."

How sexually experienced are you? Are you still a virgin?

"I'm not a virgin. I've had some sex but not a ton. I had sex for the first time right after I turned 18. I was the last one of my friends who was still a virgin so I was dying to get laid. My first time was actually really nice and nothing too crazy. I went to this guy's house with my friend and while she watched TV he went down on me and fingered me, then eventually fucked me."

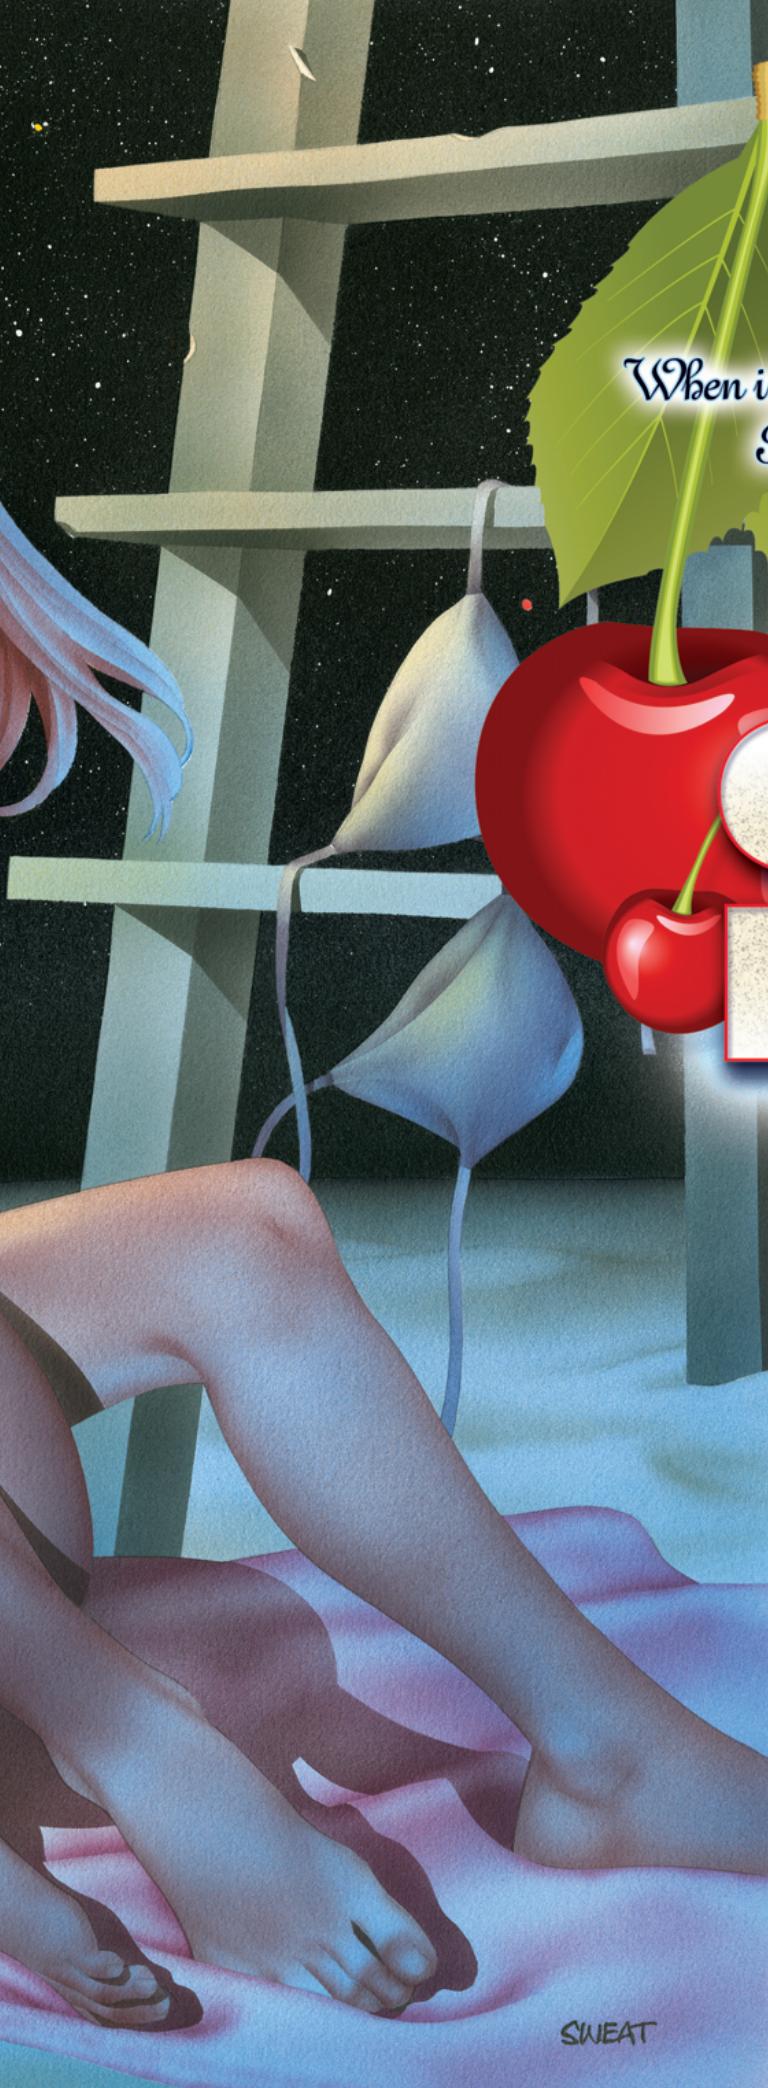

Was your friend in the room while you were losing your virginity?

“Yes. She didn’t stare at us or anything but later on she told me she fingered herself while listening to us have sex.”

A woman's legs and feet in a bikini are visible on the left side of the cover, set against a dark, beachy background with a bonfire. The image is partially obscured by a large, stylized title.

Girlfriends shared things with one
another, that's what they did.

Clothes, makeup, their secrets.

But... did they share everything?

When it came to her fuck-challenged girlfriend
Rachel, Gina decided there was nothing
she would keep from her best friend.

Not even Todd her boyfriend,
one hot night on...

Cherry Beach

"What about Matt?" Gina pressed, speaking through the stall door. Rachel was sure taking her sweet time. How long did it take to piss? She shifted from foot to foot, wondering if maybe Rachel wasn't pissing, but playing with herself. She knew her best friend was desperately horny. So horny, that for the past ten minutes, she'd been pimping the idea of hooking up with Matt to her. Matt, a group of their friends, and Todd—her own boyfriend—were outside on the beach, sitting around the bonfire or playing frisbee. Gina had taken note of Matt running around in his still-damp swim trunks and decided that he wasn't bad at all. He had a nice package, and, he was single. Gina couldn't understand why Rachel wasn't interested in letting her make the hook-up happen. Rachel needed help getting some dick, and from the look of it, Matt had plenty to give.

Rachel came out of the stall and headed for the sink. She shrugged her shoulders while washing up.

"I dunno. Cheryl sure didn't think he was all-that."

"Cheryl's cheated on every guy she's dated since junior high," Gina pointed out. "But they were together a while, that oughta count for something. You know Cheryl. She wants a guy's face in her box every night. Know what? I bet Matt loves to eat pussy. Speaking of which...when was the last time

you had yours tongue-tickled?"

Rachel turned bright red. She didn't have to answer. Gina knew very well she was a virgin. Knew just what she'd done with a guy and what she hadn't. And, the HADN'T column was a helluva lot longer than the HAD column. Rachel had doled out precisely two handjobs—one which had ended in premature ejaculation, with her ex's cock barely clear of his briefs. She'd been fingered by that same guy, but when she was reluctant to go further, he'd moved on to the next girl. Gina winced, thinking back. Hadn't the next girl been Cheryl?

"I'll be outside," said Rachel, slipping through the door. Gina took her turn, thinking about her best friend's situation. She knew Rachel was into guys—she was always complaining about how much she wanted to get laid. But...what if that's all it was? Just talk? A pair of handjobs and a fingerfuck or two certainly didn't prove anything. And, it wasn't like Gina had been there to see Jason spooge all over Rachel's hand. She simply took her friend's word for it, nothing more.

Gina came out of the bathroom and spotted Rachel standing by the railing along the boardwalk. The sun had gone down, and most of their crew were huddled around the bonfire. Only Todd and Matt were still throwing the frisbee. Gina's hopes brightened. Rachel was focused, watching the guys. Though it was hard to tell, it kind of looked like Rachel was grinding against the post.

Gina stopped to check her out. She felt a little voyeuristic about spying on her friend, but not too guilty about it. It was kinda hot, to be sure, certain now that her girlfriend was masturbating, rubbing her pussy up against the support through her swim-shorts. Gina suddenly had an overwhelming urge to creep up behind her gal-pal, whisper something dirty in her ear, and give her a little help. She'd never done anything like that before, but so what? She was okay with pinch-hitting for the other team—especially with someone like Rachel.

Rachel looked like she was really getting into it, but went still, sensing that something had changed. She eased her crotch off the post, although she kept watching the guys.

Damn, Gina cursed to herself. Talk

about a blown opportunity!

She took a quiet step, then froze, following Rachel's gaze.

Rach was definitely staring at the guys, they were far enough away from the fire not to have an errant throw deposit the disc into the flames. But it was clear that Rachel wasn't paying attention to Matt. Not at all.

She was staring at Todd.

"I'm gonna take a walk,"

Rachel said a short time later. Gina had been trying—unsuccessfully—to engage her in a conversation. Ostensibly about Matt,

although Gina knew that was really just a reason to bring up the guys. But Rachel hadn't given her an opening. She wasn't in the mood to talk about anything, it seemed. Gina suggested they hit the water again, but Rachel, who loved to swim, shook her off. It was eating Gina alive, knowing what was bothering her friend but not being able to bring it up for fear of embarrassing her—and doing who-knew-what to their friendship. So, she let her stroll off, up the beach, and waited.

"So, is my boy going to get a little somethin'-somethin' tonight?" Todd asked, sneaking up behind her and wrapping his big arms around her tiny waist. His hands covered her tiny breasts, thumbs finding her nips. He tweaked them as she giggled, pushing her ass into his crotch and giving him a booty shake.

Oh, Rachel might be getting a little somethin'-somethin', Gina thought, peeling Todd's hands from her boobies. Matt, though, was going to have to look for prospects elsewhere....

Gina found Rachel

a ways down the beach, leaning against the unmanned life-guard stand, staring out at the surf. She dropped her beach bag between them and gave her friend a warm smile.

"Things are going to be wrapping up. I figured you would want to get changed before we left."

Rachel looked back up the beach, where some of the stragglers were still partying by the fire.

"You mean, right he—"

She turned back to find Gina already stripping off her bikini top. It

wasn't like it was the first time she'd seen Gina's breasts—they were both roughly the same size and swapped outfits many times. But seeing her friend topless there right in the open made her do a double-take. Gina gave her a flirty look.

"What's the big deal? It's not like there's anyone around."

That didn't stop Rachel from checking. Gina was right, though. The beach was completely deserted. There was moonlight, and the stars were out, but for all intents and purposes, they were invisible.

"Want your shirt?" Gina asked, dipping into the bag.

"Yeah, sure, thanks," Rachel said, joining in. She undid her top, the fabric falling off her nonexistent breasts. She frowned, thinking about her A-cuppers. How was she ever going to snag a guy like Todd being as flat as she was? How many guys like him were there, anyway? None she could think of at school. They all went in for chicks with big tits and curvy asses who had a closet full of hip-hugger jeans and bras you didn't have to buy in the Young Miss section. With a sigh, she reached out, expecting Gina to hand her her tee.

But Gina didn't have it. In fact, Gina wasn't holding anything. More surprising than that, though, was that Gina was standing there without even her teeny-bikini bottoms on. Not that the minuscule triangle left much to the imagination, thought Rachel, but still...they did cover her pussy.

They weren't doing so now, though, that was for sure.

"Gi! What the h—"

"I was thinking," Gina said, cutting her friend off in mid-sentence. "Maybe I asked the wrong question."

"Huh? What are you talking about? What question?"

"Y'know," Gina said, moving closer. "When I asked you when was the last time a guy ate your pussy."

"You already know the answer to that," Rachel said glumly while looking down. "I-I haven't...done that yet. So what question—"

"Exactly," Gina cut in, interrupting her again. "So I was thinking, maybe...I should ask you if you've ever had a girl do it."

"A-a girl?" Rachel said, shocked. She was trying to think of something

HAYDEN

Still Waiting

Welcome, Hayden. Tell us about yourself.

What kind of kinky things would you like to try while fucking?

"I like handcuffs, spanking and role-playing. A lot of the time I like to fantasize about having sex in a men's dressing room. There have been a couple of times where I was close to trying it, but I chickened out at the last second. Once I even went into the fitting room with a guy, but then one of the employees knocked on the door asking if there was someone else in there, and I got spooked."

**So are you
going to
try to have
sex in a
fitting
room
again?**

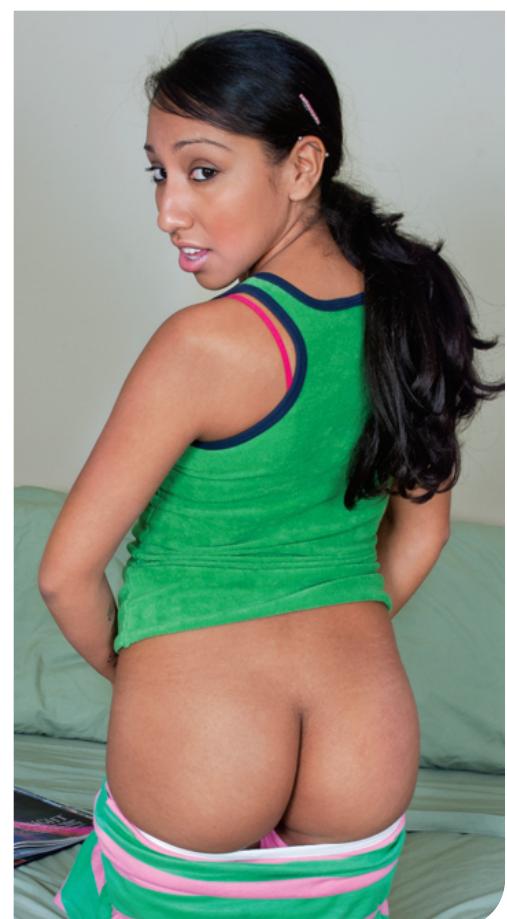

"Yes, definitely. And soon, too. I realized that I can't just wait for kinky things to happen to me. I have to go out and make them happen. Next time I think I'm going to try to do it at this one small clothing store I know of that has a unisex fitting room. Hardly anyone ever watches it so it'll be a good start. Then after I scratch that off my list I can move on to the next thing, which is to have a three-way with two girls. I really love fooling around with girls, so having two of them at once would be amazing. I would love to take control and lead that sexy pussy show!"

Angela

Hot and Ready

Angela, do you have any special talents?

"I used to take gymnastics so I'm really flexible. I can open my legs really wide and do a split no problem. I've also been told that I suck dick really good, and that I'm good at riding guys. I think a lot of the time when a girl is on top she still doesn't do that much work. But I work for that dick when I ride it."

Do you like to masturbate? Please give us all the dirty, little details!

"Yes, I love to masturbate. I do it all the time. I rub and caress my pussy and it gets me so hot and ready to fuck. I like to use toys too. After I rub my clit for a while I'll fuck myself with a dildo and pretend that it's a hot guy that I like. I have to use my fingers first because my pussy is so tight that the dildo will be too big for it at first. But then it's so good once I get warmed up and wet. When I play with myself I'm in another world. I get so horny that I always end up texting guys that I know, asking them if they want to fuck. Some people drunk dial, but I always end up dick dialing!"

else to say when Gina grabbed the front of her swim-shorts and gave a little tug. Rachel stared at her.

"Or, maybe...if you want one to."

"You mean...do I want...want a girl to , y'know...eat me?" Rachel couldn't believe what she was hearing. She needed to confirm what she thought Gina was getting at. Gina pressed in so close, her nips brushed her shocked friend's. Rachel gasped. Gina's nipples were jutting out, standing up firm and hard. They were like two little, swollen pink Hershey Kisses, poking into Rachel's flat chest.

"Let me guess," Gina said, her voice like a razor in the dark. "You don't wanna answer. Okay, fine. You can tell me another way. Like by whether or not you stop me."

"S-stop you?" Rachel croaked, but it was already too late. Gina dropped to her knees in the sand, yanking down Rachel's swim-shorts on the way. Her thick, meaty folds glistened in the moonlight.

"Gi, Gi, you can't," she protested. But then Gina did, and her mouth was spreading Rachel's little cunny lips and her tongue was roaming back and forth over her throbbing clitoris, and Rachel quit thinking about making her best friend stop. It felt too good.

Gina pushed her against the lifeguard chair, forcing Rachel's feet apart. Wider, wider they spread, and then Gina was at her again, her face buried in Rachel's cunt, her middle finger slithering into her twat, drawing a soft moan from Rachel's lips.

"Gina, oh, fuck, Gina...What the hell are you doing?"

"Making you cum in my mouth, babe" Gina said, taking her lips away from Rachel's sopping slit just long enough to answer. Her middle digit squelched as she finger-fucked Rachel toward climax.

"Ohhh, Gina," Rachel groaned. "That feels so good. Ungh! That's so...fucking...good."

"So what're you waiting for?" Gina hissed. "C'mon. Cum for me. All over me, Rach. Go on, Cream all over my face. I want you to."

The dirty talk. The way Gina's buds felt against her own. Gina's tongue, buried in her silky cleft. Rachel's head was spinning. Without warning, she came, her body jerking and twitching, spasming as she coated Gina's face from cheeks-to-chin in a film of musky girl goo. The climax was so intense and unrestrained that when she finished, tears were streaming down her face. Gina wiped one away with her thumb.

"You liked that, didn't you?" she asked. Rachel nodded vigorously.

"Gina, that was awesome. I mean, you were so hot, doing that to me. Thank you," Rachel stammered, Gina's face still rimed with her cuntsauce. Gina put her finger to Rachel's lips to shush her.

"But when it comes to boys," she continued, dragging it out. "I think

Gina ran her fingers through Rachel's pubes, raising her hand up for all to see. Her fingers were dripping with Rachel's slimy secretions.

you still need some cock. Am I right?" Again, Rachel nodded.

"Oh, yeah, Gina. I do. I mean, this? This was incredible! But I want it from a guy. I want a guy to pop my cherry so bad you can't imagine."

"Sorry to interrupt," Todd said, stepping around the lifeguard station. "Are you the two blazing-hot chicks from Lincoln High School looking for some dick tonight?"

Rachel was so stunned seeing Todd pop out of nowhere that she nearly fell over backwards. Luckily, Gina was there to hold her up.

"It's okay," Gina said reassuringly. "He doesn't nibble anywhere you don't want him to."

Rachel watched as Todd moved into the moonlight. He was naked, and his pointing hard-on immediately drew her attention.

"Gi-Gina?"

"You've been telling me how bad you want a cock inside you. You're my best friend. I want to share this one with you."

Todd looked at Gina's sticky face.

"You look like you've been doing

some serious sucking. I hope you're not too tired for a little more," he said, putting his hands on Gina's shoulders and pushing her to the sand.

"Unh-uh," Gina denied, grabbing Todd's tight nut sac and pulling his prick to her lips.

Rachel, now a bystander, stared in fascination as Gina opened her mouth and hoovered Todd's junk, sucking noisily on his dick, pulling his length out of her mouth to tongue his balls. Todd rocked on his heels, one hand on the back of Gina's head as it bobbed between his legs.

Todd ran his index finger across Gina's cheek. He brought it to his face and gave it a sniff before inserting it in his mouth and sucking it dry.

"No wonder you two disappeared. You've been having all the fun," he said, pulling his pole from between Gina's pouty lips. He rubbed the head of his cock across Gina's face, dragging it through Rachel's sticky wetness. Gina played with his balls while he did so. But instead of plunging back into his girlfriend's eager mouth, he turned to Rachel.

"What do you say, Rach?"

Her gulp was audible. Gina looked up at her, a wide smile on her face. She tugged Rachel's hand until the other girl was kneeling beside her, staring at Todd's throbbing fuck tool. She nudged Rachel with an elbow.

"Go on, I know you want to. I can tell. It's okay, really."

Gina ran her fingers through Rachel's pubes, raising her hand up for all to see. Her fingers were dripping with Rachel's slimy secretions.

Todd took hold of his shaft, bringing the tip of his dick to Rachel's slightly-parted lips. Closing her eyes, Rachel opened up, and let him inside.

Rachel underwent a moment of sensory overload. And shock. The size of Todd's cockhead. His thick shaft, forcing her mouth open wider. The taste of each of their juices mingled on her tongue as she rolled it around him. She'd never tasted semen before, and now, pre-cum was flowing out of him in a steady trickle. It was thick and salty on the roof of her mouth as she tried to remember what to do, what she'd learned from reading Cosmo and watching dirty movies that Rachel downloaded on

Long time no see, Jewel! How've you been lately?

"I've been great! I'm in college and having tons of fun. To be honest, I've been kind of going through a lezzie phase. For a while I was hooking up with a lot of guys, but there was too much drama and they were distracting me from my studies. So I told myself I wasn't going to see anyone for the rest of the semester. But I was still really horny and masturbating wasn't cutting it, so I ended up fooling around with girls, and well, I liked it so much that I stuck with it!"

"No, I haven't! And that's the thing, I'm dying to get some cock! I really like fooling around with girls, and I don't plan to stop, but I need to get fucked by a real dick ASAP. These little lezzies love having me on their team, but I'm not a full-on lesbian. I'm part of the cock club, too. But it's been so long since I've been with a guy that I feel a little rusty on my flirting and hooking up skills."

HAZY DAISIES

Ever wanted a peek inside the hush-hush world of college Greeks? Pauline gives you a sordid close-up of the kinder, gentler, more feminine side of the process via these hot, sorority-house flowers.

By Pauline Worth

Georgia's mom once told her that nothing worth doing was easy. It was a mantra that the beautiful 19-year-old channeled when the time came for her to pledge her southern California sorority last year.

"I was a freshman," she giggles, sitting comfortably on a floor pillow between the tanned knees of her "big sister," 23-year-old Callie, now a grad student. She looks up at her friend with soft-eyed adoration, her pale-blonde pixie haircut framing her face into something that melds the youth and spirit of Peter Pan with the cutest tomboy-girl you ever knew growing up. Callie, on the other hand, is a honeyed blonde of the Southern order-hair falling in perfectly coifed waves and the polished demeanor of a young beauty queen (along with the legs and the looks).

"I came from a small town up in Oregon," Georgia says. "It was my first time away from home and I have four big brothers. I'd always wanted to be part of a sorority, a sisterhood. Rushing was really important to me. But, you know, I ended up in the best sorority...." She pauses again and she and Callie share another

sweet moment of (I have to admit, decidedly UNsisterly) eye contact. "It wasn't going to be a cake-walk."

Callie explains. "Once we whittle the rushes down, the challenges of being a real pledge become a little bit harder in a way...."

"Hazing?" I ask.

Callie looks around, just a tad nervously. She chuckles, more womanly than Georgia's teenage titter. Her berry-stained lips are pouty and beautiful. Her teeth are perfect. Her dark blue eyes clear, eyebrows perfectly manicured. "We don't care much for that term," she says diplomatically. "But there are challenges, both intellectual and physical, and the girls are expected to rise to the occasion. To use their cunning and skills and other talents they have at their disposal."

"My challenges actually helped me realize skills I never knew I had," says Georgia, cornflower eyes wide and genuinely innocent, her round porcelain face gleaming like a beautiful moon from between her "sister's" perfect tan knees. "Not to mention a taste for things I never considered."

We'll save the best for last, though, because this sorority had a host of sexy obstacles to traverse for the three open spots in the house....

WEINERGATE

It was timely with current events, the sisters decided; yet another political figure had been shamed—not just by an inability to keep his cock in his pants, but to keep from Tweeting it at the women he was sexting with.

"We thought it was hilarious," says Renee, the sorority's sitting vice president for that pledge period. "The challenge was simple: Get into a sexting relationship with a professor and get him to send you a picture of his hopefully big, hard cock. We were lenient, though," she giggles. "We

weren't going to penalize anyone if their conquest fell short of impressing. We just wanted to see their dicks!"

At the end of the trial, while three of the girls had managed to get the pros sexting some

full-on triple-x poetry (some sexier than others), only one had gotten her organic chemistry teacher so hot that he lost his sense of professional self-preservation and went full throttle with the dirty pictures to match. And the tiny temptress was Mae—a gorgeous, golden goddess of Chinese and Filipino descent.

"I was the kryptonite on Dr. Fuller's periodic table," she jokes.

But Mae went farther than mere flirtation to push her conquest over the edge. "I sucked his cock in the lab," she says, savoring her newfound status as dirty, dirty girl, "and swallowed his load probably half a minute before the rest of the class started showing up."

It went down-pun absolutely intended-like this:

"We'd already been flirting," she admits. "He's just my type: sort of on the tall side, mid-40s, salt-and-pepper hair, glasses—I like that nerdy-smart look. It started with my asking him questions about assignments via text and email, but you know, we started getting a little chatty and before long I was teasing him, asking him if he liked Chinese food, just being silly and sassy and whatnot, trying to get him out of his shell...."

They'd spent the entire night before talking about oral. "He was saying how bad he wanted to taste my cunny, that he didn't want me to shave or shower," she says, giggling. "I have to say, I barely have any hair on my pussy anyway, but I loved how into the idea of smelling and tasting me he was. I was totally fingering myself while we chatted. And then I suggested we video-chat."

Mae was already hot for him, so she figured if she showed him hers, she could get him to show her his.

"He 'rang' me and when the web-

cam flipped on, I was sitting there with my legs open and knees bent, wearing nothing but little white-and-pink workout socks and a white tank top that was almost totally see-through! He was basically eye-to-eye with my pussy! I just about died when I saw his face."

Her professor was jerking it under the desk, but Mae—even while masturbating in full view of the man who graded her papers—was incredibly turned on just watching his facial expressions, seeing how his eyes went from her wet, slippery little pussy back to her pretty face, then back to her pussy. "It was totally hot and then right after

small- to average-sized cocks when I'm having fun! As badly as I wanted him to bend me over the table and slide that monster into my tight pussy really, really, reeeeally slowly, I knew it was a bad idea. There were people all over the building—it was the middle of the day—and the rest of the class was due in minutes. I led him to the farthest lab counter, where he could still keep an eye on the door, and got down behind it."

As the table doubled for storage space, Mae was able to slide open a cabinet and sit her tiny little ass on the edge to unzip her conquest. "It's a good thing he's not that tall," she jokes with me. "It never would have worked logically. As it was

though, his cock—stiff and smooth and probably as long as the whole of my lower arm—practically unfurled into my waiting mouth. I was drooling for it, but I have to tell you, it stretched my lips, even my cheeks, to capacity. That's how thick it was."

Mae's pussy, she tells me, was coursing like an open faucet. "I loved how he was looking down at me, trying to be gentle. But I could feel him get harder against my tongue

every time he took my head and forced it onto his dick. I held his throbbing balls in my hand and lapped and sucked them every few minutes—to keep them wet and to give my mouth a little break from sucking him. It was so sexy, knowing how close we were to getting caught, but I was already thinking about being able to have him lie down in a big bed and do it properly, slowly—and perhaps with my pussy on his face!"

Finally, Mae could feel him about to blast her face with his load. "It would have been way sexy to do—and to take

"I swear I wanted to just climb on top of him and fuck my own lights out," she says.

I'd already cum, he stood up, and his cock was the size of a horse's!"

Mae stared, hand still in her drippy, little snatch, and watched in awe as the screen of her laptop filled up with Dr. Fuller's massive dick and balls. "I swear I wanted to just climb on top of him and fuck my own lights out," she says. "I thought it would be the most incredible ride of my life—and what the hell, if it killed me, what a way to go!" she jokes.

The pair met early the following day, before class. "I'm a noisy lay," she giggles, "and that's the case with

a picture of—but the halls were getting louder. It was time for class. I pulled out my phone and got a shot of my mouth crammed full of more man meat than I'd ever had the pleasure of sucking off, then I literally sucked the cum out of his balls, while he grunted softly and bit his lip to keep from talking dirty to me. I swallowed every drop."

As Dr. Fuller composed himself, and Mae moved a safe distance away—finding her usual seat near the door—the first of her classmates began to trickle in. "I'm still seeing him, by the way," she says.

"And it's a good thing, too," jokes her sorority sister, Renee, who had enjoyed the video-chat freeze-frame Mae had snapped the night before. "The girls and I about died! One of them is a science major and actually works for him grading papers! She said if she'd known what he was packing she'd have snapped him up a long time ago. Mae won that round by a mile...or at least, by a good number of inches!"

"I'm not letting him out of my sight," says Mae. "Not with my cock-hungry sisters stalking the campus!"

FRESHMAN READING

"Totally cliché, right?" says Ashley, "I mean, how cheesy, late-night Skinemax is fucking in the library? But I have to admit, it was pretty darn hot!" Ashley, a pale, black-haired beauty with rosy cheeks might still have a set on the bottom to match after her playful, little spank session in the stacks. Her big sister, Carmen, gets the conversational ball rolling.

"The challenge here was to have sex in a public place, but at least one actual sister needed to be on-hand as an eye witness. So you had to have at least a little forethought going into it. Ashley turned out to be a total natural. She went after this one like an Olympian and won the challenge two days after it was issued."

"You see," says Ashley, "boyfriends

weren't allowed, which makes sense because how easy is that going to be? Three girls dropped out of the competition right there because they didn't want to cheat. The rest of us were single, but not all of us were ready to go all 'Mister Goodbar' for the sake of the cause. Come Monday morning, I was already there—hitting the books, yes—but with an eye out for willing talent. I had Carmen on speed dial in case anything popped up."

At about 5:30 pm, the library started to empty a little. "Most people, even the ones who were there for the long haul, went home or at least left to grab something to eat. I headed into the reference section and positioned myself—flouncy flowered skirt, no panties, my pussy already swollen and slick from thinking about it—atop a tall step ladder, waiting for the right mark." She giggles. "And yes, touching myself from time to time while I read my history book!"

Within 15 minutes, a cutie came through, looking in the human sexuality section. "There was a reason I'd picked that particular row! He was a grad student, or about. Maybe a young professor, I don't really know.

Her clit was a pink cherry amid the lush silky hills and valleys of her flower.

About 30, I'd say. He glanced over at me and gave me a smile as I read my book...."

She gave him the playful, blue-eyed, come-hither stare, and then opened her legs to reveal the soft, neatly landscaped dark fur of her snatch. It was wet, the lips splayed slightly in their swelling, its insides hot pink and pearly with sugar. It looked like candy. Something Ashley was banking on, because she wanted to be sure it lured him in for a taste.

"He was nervous," she remembers, "and I thought it was sweet. But at the same time I could see something stirring in those sensible jeans of his. He played it safe for a few minutes and stood there, holding the book he'd chosen, just watching me. I gave him a little show."

Reaching down with one hand (the other was hidden in a shelf, bracing her, but lying an inch from her phone, from which a text to Carmen—that included her location and safe place where Ashley knew her friend could watch unhindered—had been sent a few minutes earlier; she was probably already watching), Ashley spread her lips farther, revealing the almost unnatural pink of her engorged inner labia, now almost visibly secreting honey-sweet juices that beckoned the young man. Her clit was a pink cherry amid the lush silky hills and valleys of her flower. She held his eyes with her own and showed him how she liked to be touched, circling, pinching, rubbing.

"I was honestly getting so turned on 'performing' for him that I pretty much forgot the whole reason I was there," she says. "I forgot about Carmen and the sorority, I just want-

When you're in his room, do you have to keep quiet?

"Yes, definitely. If I get too loud then his mom will hear and go crazy. Sometimes it's really tough, 'cause he'll be fucking me really hard with his balls slapping my ass and everything, and all I want to do is scream and moan. But I can't, so I'll bite my lip or bury my face in a pillow. I can't wait till I move out so I can be as loud and crazy as I want."

ed to get my fingers in his hair and be able to look down and watch his mouth press against my cunny. I wanted to see his tongue flick my clit and slide up into my hole...."

She gave him the eyes one more time, beckoning. Lick me, Baby, they begged. Eat me.

He did.

"And he was a hungry tiger, too," she says. "He moved in fast, lips wet, and pressed his face into my horny pussy, kissing my clit. I wasn't actually expecting him to know what he was doing. I figured I'd have caught him off guard, but in that flash he was up in my business with his hands holding my ass up on the ladder and his mouth almost sucking the cream right out of my cunny canal. His tongue and lips worked my clit and my hands held him by the hair. I was breathing and half-talking and it felt almost like an out-of-body experience. I heard myself telling him I was going to cum and then I was, all over his face, but he didn't let up. And my pussy, my whole body, was wracked with the convulsions of my orgasm. Waves of them. If he hadn't been holding me I'd have fallen for sure...."

Ashley had planned to be coolly disconnected after getting guerilla oral. "I had no intention of actual intercourse," she says with the ironic laugh of hindsight. "But of course, I had imagined I'd probably have had to fake the climax, anyway. I didn't think I'd hit the stranger-sex lottery."

Her mystery man helped her down from the perch, smoothing her hair, holding her close. "He didn't kiss me," she says. "I think we both wanted to but somehow that seemed almost too intimate. I mean, he was a stranger! But he breathed in my ear and pressed me up against a cock so hard and hot I was almost amazed it hadn't incinerated in his jeans."

"Let me fuck you," he half-said, half-asked and searched her wide, shell-shocked eyes for an answer.

"I just turned around and braced myself on the ladder and turned my

ass up for him, like it was nothing," she giggles, still surprised by her own turn from alpha stalker to willing bottom. "I wanted him to fuck me. Hard. My pussy was throbbing and empty after the incredible orgasm I'd had. But it was still hungry.

"I never even saw his cock, but he pushed it up inside me and we started moving, and I just fell into a bent-over position. It sure felt big. His hands holding onto my tiny hips felt so good, and I could feel his balls pressing up against my mound, and I just wanted him to get a little nasty with me. 'Spank me,' I whispered...."

And he did. Each time she whispered, he'd oblige, gently, but sharply, until Ashley was backing her ass up on him, head thrown back, bouncing herself off his pole, launching, telling him to pink up her cheeks and then, "I asked him to cum on my ass," she giggles. "This whole story sounds like it took longer than it did! End-to-end if it was 15 minutes, I'd be surprised!"

"It was 13 and change," Carmen informs me, high-fiving her friend. "I got the whole naughty scene on video with my iPhone!"

XX-RATED

"I knew that the last round of pledging was coming up," blonde pixie Georgia remembers. "There were three spots in the house with eight of us competing for them. I was going to have to step up the game, whether I liked it or not."

Lucky for her, she liked it.

When the sisters dared the pledges to make sexy videos, Georgia was nervous about it.

"I was very inexperienced and there were some girls who I knew already had their own performance libraries!" she laughs, nodding in Ashley's direction. "I wasn't dating anyone at the time and wasn't really up to the Ashley method!"

She started to think outside the box... and eventually found herself face-deep in one.

Yes, after playing with the idea of being with another girl—most often while playing with herself—Georgia

asked the sister with whom she'd bonded if she'd be willing to make the tape. "I was really nervous. I wasn't even sure it would be allowed since it might seem like she was favoring me, but Callie was more than happy to assist me. I was so excited because I think she's gorgeous! But you know, being with someone beautiful doesn't necessarily mean you're going to like it!"

Callie, who had a little previous experience, thought the idea of being the "seductive older woman" was way hot. "Georgia is tiny, much smaller than me," Callie says, playing with her little sorority sister's hair as she speaks. "She's like a little doll and so innocent. The idea of sort of 'topping' her was enough to make my clit tingle and my mouth water. And I also thought the video was going to blow the other girls away."

They left the camera off for awhile, sitting and talking and before long—touching. "Callie started giving me a massage," says Georgia. "Tickling me, really, with her fingernails. It felt like heaven and before too long, I was just lying on my bed on my stomach, just wearing a pair of panties, already starting to get wet."

That's when Callie let her know she'd be turning on the camera.

"And then she just kept going, rubbing and touching, making my tiny nipples hard, and of course, the same between my legs," she says, visibly blushing as she recounts what happened. "Callie just took over."

"I rolled her over gently, but I led the whole way, parting her legs, looking up at her. She was so nervous, but so turned on. Her pussy juiced like a blonde, fuzzy peach in my mouth when I took my first bite," she tells me, playing with Georgia's hair as her head lay against a long, strong thigh. "I didn't want to use my hands at first. I just wanted to kiss her and lick her and suck her, and use my mouth

The surprise and pleasure on Callie's face is unmistakable.

to get inside of her. I wanted it to be a completely feminine experience for her. And the only thing sexier than having her watch me eat her, her face all contorted with pleasure while she came, was looking down, as she—right off the edge of her own orgasm—buried her face in MY pussy like a woman starved, and ate me like it was the first piece of candy she'd ever tasted in her life! It was a pleasant surprise."

Georgia, face now beet-red, couldn't help but nod even if she couldn't look me in the eye. "It's true. After I came, it was like I was possessed. I'd dreamed of licking a girl forever. I fell on Callie's blonde pie like it was made of pumpkin and spice," she says.

Having seen the video, I can say in full faith they speak the truth.

With Callie's long legs parted wide, tiny Georgia fell between them, burying her face in the small, honey-colored bush, her smooth cheeks shiny with sticky pussy wetness, tongue licking and flicking, lips tracing and sucking, her mouth devouring Callie while her small fingers worked themselves up inside her.

The surprise and pleasure on Callie's face is unmistakable.

"It turned out I was laying down with a lion I thought was a lamb," she says. Again, Georgia blushes.

And when angelic Georgia reaches out of camera range for a minute (it was into a duffel she'd brought with her) and pulled out a shiny, grape-colored, cock-shaped vibe to fuck her with, it took less than 25 seconds for Callie to cum, screaming and moaning and creaming with seven inches of silicone buried deep in her tunnel and the soft, wet muscle of Georgia's tongue buried in her folds.

"It was, all the sisters agreed, the hottest video of the pledge class—bar none!" says Callie. "Georgia was welcomed into the sisterhood with open arms." And legs.

the internet using her older brother's credit card and password.

Tentatively, she started to suck. She knew she must have been doing it poorly, but soldiered on. How many nights had she and Gina practiced this, on cucumbers or carrots and, occasionally, even on Twinkies, so that whoever got to finish got the cream squeezed into her mouth?

Too many to count. She ought to be good at this, damnit! she swore to herself, grabbing Todd's shaft and getting into it. Jacking him while she gargled his pre-cum and marveled at how he hadn't already blown his load-like her ex had. Rachel had seen the look on Todd's face when Gina was blowing him. Pure ecstasy. And, just watching Gina suck dick had gotten her crazy-wet down there. If she'd kept going, Rachel would've been happy to take care of business, fingering herself into unconsciousness.

"Oh, Rach, that's nice."

What? Had Todd really said that, or was it all in her head. Rachel shook, hoping she wasn't hallucinating. But then Gina's voice chimed in.

"Just a little more, baby, you can do it. Just let go, yeah, that's it, let go and swallow it. All of it."

Rachel's hand fell away from Todd's shaft. There was a hint of pressure on the back of her head, and her eyes shot open. She worked her mouth down, Todd's balls slapping her chin. She knew then-knew Todd's hands were on the back of her head. Urging her to deep-throat him.

Todd wasn't huge, but he was bigger than anything she and Gina had practiced on up in Gina's bedroom. Even though he wasn't sweet, like the Twinkie-by now Rachel had sucked the last remnants of herself away—the taste of his jizz was causing twat nectar to run down her thighs. She could smell it. Her and Gina...pussies dripping. She looked up, saw Todd biting his lip and looking down at her, watching his penis disappear into her mouth. Hands by his sides.

That was motivation enough for her. It was Gina who was guiding her, whispering dirty words of encouragement from behind. Rach reached

Jewel, you almost look too innocent to be posing for our magazine!

"I may look sweet, and I think in general I am also pretty nice and sweet. But I'm also the biggest perv you'll probably ever meet! My mind is always in the gutter. I think about sex constantly! I'm even hornier and more dirty-minded than most of the guys I know. I hide it pretty well though."

Are guys intimidated by your sexuality?

"Some of them are. I think they just expect me to be this innocent, little blonde girl, and then when I tell them that I want to suck their cocks in the movie theatre or jack them off in a restaurant they get a little caught off guard, you know?"

So you must have some good sex stories then. Share one with us?

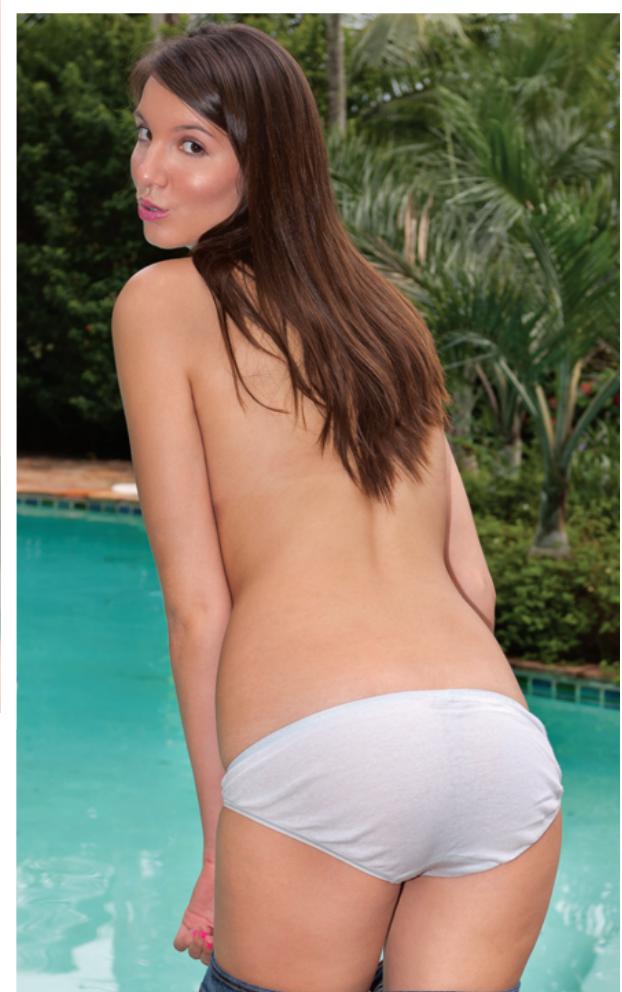

"One day in class I was daydreaming about my professor's cock, and my pussy started leaking like crazy and I came without even touching myself! But then I freaked out because I could feel there was a huge wet spot under my ass, and I didn't want to get up for everyone to see it. So after class I waited for everyone to leave, but the professor was taking forever and he wouldn't stop asking me what was wrong. So I grabbed his hand and put it on my soaking wet pussy. We ended up banging right there!"

Your smile looks extra wide today. What's up with that, Lorna? Why are you so happy?

"I'm basking in the afterglow of really amazing sex. It happened last night and I can't stop thinking about it. I got fucked so good and I came so many times."

When you have sex do you always think about it the next day?

"If it was really good, I do. And if it was the first time with a guy I'm really into then I will definitely dwell on it. I replay every move in my mind over and over again."

What happened last night?

"This guy and I were always just friends. Last night I was at his place and he kissed me. It got me so horny. Next thing I know I was riding him on the couch cumming like crazy! I think the sex was so good because we were friends first and really comfortable with each other."

**Lacey, are
you a virgin?**

"No. I've had sex and I love it. But that doesn't mean I'm a slut! I've only been with two guys."

What do you get complimented on the most?

"Most people tell me that I have a pretty face and a nice body. But both of the guys I've had sex with complimented me on how tight my pussy is. One of them even has a theory that girls who have 'outie' pussies, meaning big pussy lips that stick out, have tighter pussies than 'innies.' My lips are pretty big and I'm supposedly really tight, so I guess there is some truth to it. Whenever I have sex I have to be fingered a lot to stretch my pussy, and we have to go slow at first so my pussy can get used to the cock in it."

back, felt Gina's legs, and gripped them, pressing her fingernails into her friend's shapely calves.

"Mmm...do it, sexy. Suck my baby off. Suck it good."

The sand was shifting beneath Todd's feet. Rachel sucked him harder, working his shaft furiously with her lips and tongue, taking him down to the short hairs. He wanted this—to bust his nut in her mouth. She wanted it, too. Wanted to know that she could finish what Gina had started.

"Todd?" she mumbled, holding his tip between her lips so she could tickle his dickhole. "Do you wanna jizz in my mouth? Huh? 'Cause...I'm ready when you are."

Todd took over. He took hold of her face and pumped her mouth full of cock fast and furiously.

He erupted. Rachel gagged, unable to keep up. She could feel cum trickling out of her mouth, running down her chin. She held his third spurt, got a breath in through her nose, and swallowed, guzzling the flood of ball butter until he was spent.

"Rachel! My god, that was soooo freakin' nasty! I loved it!" cried Gina, pulling her friend into a tight embrace and kissing her hard on the mouth. She ran her tongue over Rachel's face, lapping up the last remnants of Todd's baby batter.

"Really? It was alright?" she asked, looking from Gina to Todd, then back to Gina for confirmation.

"If you couldn't tell, you really must be a virgin," commented Todd, leaning against the guard station. He looked winded. Rachel thought she must have done pretty good. She'd been doing all the work, but Todd looked like he'd just run a marathon. Gina's fingers brought her back around. They were working their way insistently into her vagina. Gina grasped Rachel's wrist and guided her hand between her legs. Rachel needed no instruction here. She teased Gina's clitty, tracing circles around it before quickly stroking it with the pad of her thumb. Gina responded, mewling as Rachel worked her middle and index fingers into her, the way she liked it when she was by herself, masturbating beneath

the covers. Todd busied himself with something behind them, but Rachel was too busy to notice. She and Gina were swapping spit, finger-banging each other, racing to see who'd get the other off first.

Gina won, but it wasn't by much. Rachel managed to hold on until she could make her best friend cum, too, before falling back, collapsing exhausted onto the sand.

No, not sand. There was no grit on her back. No broken bits of shell digging into her butt.

So, that's what Todd had been doing. Spreading out Gina's beach blanket. He was doing something else, now, but Rachel was huffing and puffing, too deep in the afterglow of the amazing orgasm Gina had given her to notice that Todd was shifting her. Shifting her, and spreading her legs. He was already kneeling between them when she caught on. For her part, Gina was licking her chops, pulling Rachel's greasy pussy lips wide open.

"You ready, honey?" she asked. Rachel had no idea who she was talking to, her or Todd. Then, she saw Todd, his fist wrapped around his pole, eyeing her soupy slit.

He was hard again! Already! How could that be? How long had she and Gina been fingerfucking?

There was no chance to think about that now. It was decision time. Todd was rubbing his cockhead along her outer folds, teasing her.

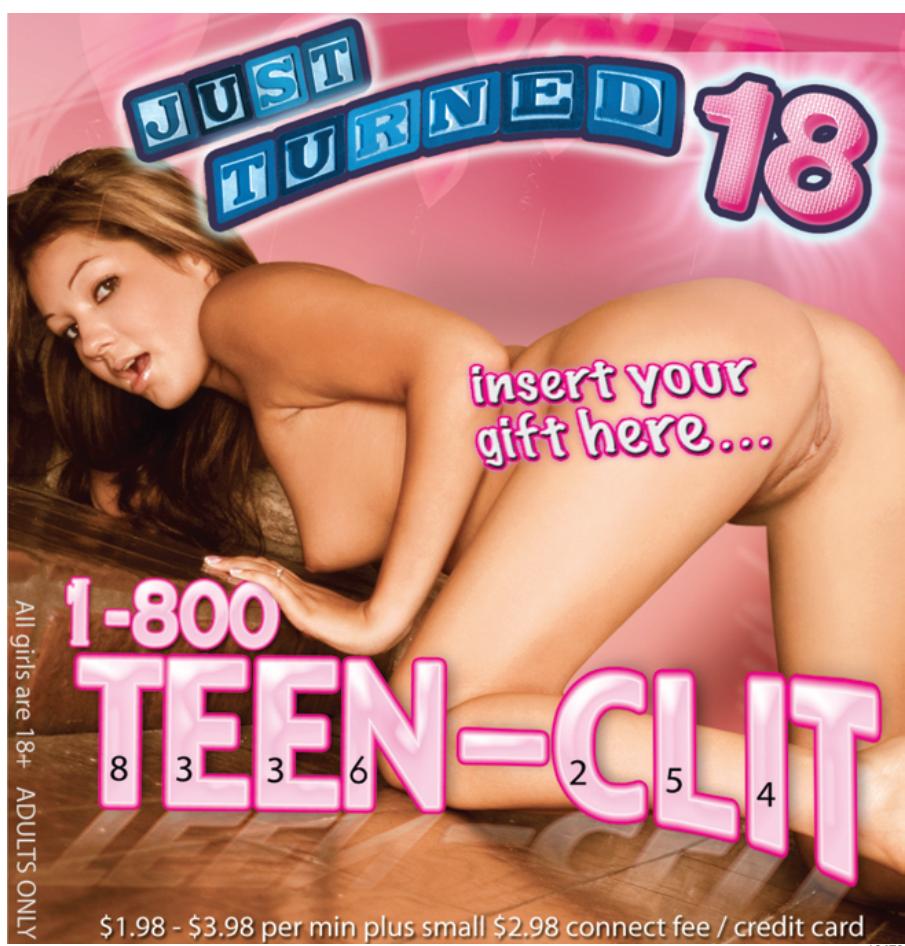

Gina spread her lips further, eager for her guy to fuck her best friend. She wanted to be here for this, to watch while Rachel's cherry got popped.

Rachel looked up at Todd. He was making her breath catch just teasing her button with his cock. Now or never, she thought, as he slowly probed her hole.

"Stick it in me, Todd, please? I want you to fuck me. Virgin-time is over."

Todd leaned against her, his prick wedged tight in her opening. He licked her titties, making her hard nips throb. Gina was diddling her clit when Todd finally penetrated her.

Rachel felt her barrier give, felt Todd rip through it, and shred what was left when he pulled out and drove back into her again. There was no denying, it stung, but after a few strokes the pain disappeared, and all that was left was the warm, full sensa-

tion in her tunnel as Todd pounded her into the sand. It was what she had wanted for so long. For her best friend's boyfriend to fuck her.

After a few minutes she got adventurous, wrapping her legs around Todd and running her nails down his back, which he really seemed to like. He quickened his pace, reaching down and grabbing her ass, slamming into her, making her squeal. She loved it. Every second. She almost forgot that Gina was there, until she heard her speak.

"You better be careful," she said. Rachel opened her eyes. Todd was grunting, clearly on the verge of orgasm. Rachel? She'd lost count of hers. Three? Four maybe? She had no idea. She'd been too thoroughly fucked to keep track.

"No worries," Todd said, staring into Rachel's eyes. She felt like she was going to melt.

Todd hung in there as long as he could, then pulled out, leaning back, his cock pointed up at the sky. Gina moved in, down on all fours like she was going to take it doggie-style, but with her ass facing Rachel. She ran her tongue over Todd's dick, jacking him over the edge.

A white bullet of jizz blasted into Gina's face, followed by several copious spurts of spooge. Rachel gaped as Gina took all of Todd's load like that, so much of it that some began dripping off her face and into the sand. By the time Todd was shooting nothing but air, Gina was covered in cum. It dripped from the tip of her nose, it ran down her cheeks, it had glued one of her eyes shut.

And it turned Rachel on more than she expected it to. She was in no shape to participate, but seeing Gina drenched in cum got her motor running again fast.

Rachel reached out, put her hand on Gina's ass. Gina jerked upright, and glanced down at her friend.

"Maybe the next time he fucks me...you could sit on my face," Rachel suggested, hopeful that there would be a next time. For a second, Gina's face remained neutral. Then she smiled.

"Oh, you're such a horny, little slut, aren't you?" she said. "C'mere...give me a kiss."

Rachel's tongue was already out, ready for more.

You two are trouble aren't you? And we mean that in the best way possible.

Barbie: "You could say that. Whenever we get together kinky stuff happens, but nothing on this level before! Usually we just go off on our own to fuck the guys we've met. But between the two of us, I'm a little more naughty. Paige is plenty slutty, but I always take it to the next level."

Paige: "It's true. We meet some guys and I think we're just gonna hang with them and makeout, but with Barbie I always end up fucking them."

BRAT CHAT

BARBIE

HEIGHT: 5'3"
WEIGHT: 92 lbs.
BRA SIZE: 32A
BORN: Aug. 1
LIVES: Florida

**So how
did this
foursome
work out
for you?
Was it
weird?**

Paige: "It was a lot of fun. At first I was like, shit, am I going to know what to do with all these naked body parts around me? But once we got started everything just flowed naturally. When Barbie was busy with one guy's cock, I'd suck the other guy's. And when I could I made sure to play with Barbie's tits and pussy, too. I think a foursome is a little easier than a threesome because you have a person to focus on, instead of sharing them."

Barbie, what was your favorite part?

Barbie: "The end, when one guy came in me and the other jizzed on Paige. The whole time we were fucking I was getting so hot thinking about the loads we were gonna get. You could almost say that I fuck for the cum. I love it-on me, in me, whatever. I would have liked for both guys to shower us with cum at the same time, but that didn't exactly happen. But it was still awesome."
